1970 In Retrospect

Before we discard that hunk of time labeled 1970 and toss it into the archives, let's take a quick look back. Field Day saw the club in 6th place - a marked increase over 1969. A Saturday breakfast was inaugurated to bring club members closer together. Each month produced programs of "How to Identify Noise" to "Seeing Yourself on Amateur TV". The year ended at Renaldo's Restaurant which saw 39 of the club's members and children perform a disappearing act on an abundance of food, followed by singing and gift exchanges. A New Years resolution was made to have each member introduce a new member, or make an effort to at least talk to an old member who has "dropped out" and let them know we need them back.-- CL
