Come join us on a stroll down memory lane this month when Ken Konechy, W6HHC presents his program "A journey through the years of ham radio." For the "Old Timers" it will bring back fond memories of times past, and for the "Newcomers" it will be an eye-opener to the past. We're sure this program will be of interest to everyone

PREZ SEZ

Looking to upgrade?? I'll be holding a Technician/General class starting November 3RD. Theory classes will be held on Saturdays from 9AM to 12PM with additional code practice classes meeting from 7:30PM to 9:30PM on Wednesdays. I'd like to keep the class size to about 10 students, so it's first come, first served. Cost will be about \$10.00 for study material that you will keep. If interested call me or Al(W6IBR) for details.

Know someone who is interested in becoming a Ham?? How about a fellow ham who is not a club member? Why not bring them to a club meeting or our pizza bust on October 20TH?

Don't forget about the club nets. Check-in and catch the Westlink report on 2 meters as well as the news as to what is happening with the club.

See you at the meeting and the Pizza Bust!!!!!!!!!!
