Prez Sez

First of all, I would like to thank Rudy Green, who has made a very generous offer which will help the OCARC. Rudy has offered to pay the printing costs of the R.F. for the rest of this year. With the recent increase in printing costs, this expense has taxed the resources of the club.

Another item I would like to remind all club members about is Field Day which takes place June 23 & 24. We still need team captains as well as operators. Of course, all members are welcome to participate but it is helpful to know how many we can expect for each group.

We have some additional activities planned for this summer, one of which is the fishing trip which is being coordinated by Ken W6HHC. This trip will be in July - contact Ken for reservations.

I hope to see you at the next meeting - Ernie has planned an excellent program.

OCARC minutes - April 20, 1979 - 7:30 PM, Mercury Savings,
Tustin. Attendance 51.

The President Terry WB6IHZ welcomed everyone and began with the flag salute. The Secretary Sandi WA6WZN introduced the club officers that were present. Since the Secretary was absent last month Terry WB6IHZ summarized the notes from the last meeting. Monty WD6AUS presented a slide show on his recent DX-expedition to Monterey, where Alfred WD6DIY, Vic WA6RNA and Monty presented a Amateur Radio Exhibit for the Visually Handicapped Conference. The Vice President Ernie WA6FOW introduced Dr. Chris Buckley WD6CLE, who presented a slide program on Earthquakes: "What the Public and Amateurs Can Do". Al W6IBR talked about organizing a public service group within the club to help out at various civic functions; ten people raised their hand to volunteer. No treasurer report was given. Bob AF6C remade the motion (to amend the by-laws) to no longer give a 25% discount to club members if they renew their membership in Nov. or Dec. for the following year. Vic N6AHB seconded the motion and a discussion followed. The vote was called and since it did not win by a 2/3 majority, the motion failed--15 against and 12 for the motion. Rudi Green; now enrolled in our new novice class has volunteered to pay for the printing of RF for the remainder of the year. Keith W6KVR described the involvement of Amateur Radio operators in the Coast Guard Auxiliary. Ms R.F. was Dixie KA6DIO and Bob AF6C was the lucky winner.

WHAT

The 14th Annual Los Angeles Amateur Radio Convention.

WHERE

Lockheed Amateur Radio Club (W6LS), 2814 Empire Avenue, Burbank, California.

WHEN

Saturday, 19 May 1979	10 AM to 6 PM
Sunday, 20 May 1979	10 AM to 4 PM

TALKS

Technical presentations start every hour on the hour, with a prize drawing held to conclude each session.

PRIZES

An Argonaut code/SSB 10-80 meter transceiver is the preregistration prize and 10 May 1979 is the preregistration cut-off date. The grand prize is a Henry 2K4-A amplifier. Contest prizes and hourly drawing prizes will also be awarded. One does not have to be present to be awarded any prize he/she wins which is valued at \$30 or more.

SMORGASBORD

A Smorgasbord will be held starting at 4:30 PM Sunday to conclude this convention. All contest winners will be announced at this dinner, all remaining hourly prizes will be drawn, the Argonaut and Henry 2K4-A amplifier winners will be announced, and a special dinner drawing ticket stub will be drawn to determine the winner of a portable radio.

Smorgasbord tickets will be sold on a first-come, first-served basis and late requests probably cannot be honored because all seats will be sold.

DISPLAYS

This is the only major amateur radio convention held annually in the Los Angeles area. Attendance and exhibitor participation continue to increase every year. We are already sure of our best assortment of indoor and outdoor displays we've ever had at this show.

DRIVES

Extra convention tickets are available in exchange for CQ, Ham Radio, QST, and 73 (only) magazines. Magazines can usually be turned in at W6LS for tickets 7:30 - 9:30 PM weekday evenings. Call (213) 842-1863 to make sure the club is open before making a trip to drop off magazines. Details are available upon request. It is appreciated if all such exchanges are accomplished prior to the convention.
