A TALE OF WOE-THAT'S INCREDIBLE In July of last year John, KE6CE received  
his new call and got busy spreading it around. 900 plus contacts and several  
personalized awards later he learned that the FCC computer printer missed a  
step or two and his call should have been KE6CB. Wow, anyone looking for lots  
of useless QSL cards see John.

OUR HAPPY HOME Please help us maintain our meeting place. Before you leave  
help pick up and straighten up the building.

SWEEPSTAKES Alex, W6RE has volunteered his considerable talents and  
imagination to obtaining this months SS prizes. Thanks Alex
