History:

Welcome, New Members! Want to know how we received our call, W6ZE? Read on!

Earl Griffin (W6ZE), and Mildred Griffin (W6PJU), were members of the club in the 50's. Mildred also worked with Roy Maxson (W6DEY), for the FCC. This, plus their association with amateur radio and the club led to a lasting friendship for the three. Earl had previously held the call KFF. Earl worked for the Santa Ana Water Works. He died from a heart attack in 1956. Three Years later, Roy and Mildred were married. The club Under Ted Glick's urging, moved to have Earl's call, W6ZE, assigned to the OCARC. Roy Maxson, who returned from assignment in Alexandria, VA, in 1960, was instrumental in acquiring the call W6 Zippy Enchiladas' for us. At the February 18, 1959 meeting, Roy Morris (K6IQ), first custodian announced that the call was officially ours.

So, new members, Field Day is coming! Plan to attend and have an enjoyable experience with us 'oldtimers' as we all spread 'W6 Zero Energy' around the world!
