August is here and many things are happening.

A trailer has been donated and several club members are working on it. The club picnic is on the 14th at El Dorado Park and I hope to see lots of members there.

A Board Meeting will be held during the picnic.

**Let's Try for a Dry Campout this time.**

For those who went to Lake Hemet and got rained out, or wanted to go but couldn't make it, we will try another campout again

next month in September. I won't promise about the weather but hopefully, it won't rain.

The next campout for the club will be September 10 - 12th. The camp site will be Oak Flat up near Pyramid Lake. This is a primitive camp. No Hook-ups and no running water. There is space for trailers, fire rings, barbecue and tables. There is no cost per night or vehicle and only 27 units available on a first come, first serve basis. Fishing is nearby at Frenchmen's Flat. There is also camping permitted right near Piru Creek. According to the Forest Ranger temperatures should be in the 90's in September. There is hiking available also for those who don't like to fish.

To get there, take I-5 north to Templin Highway. Go West to Old Highway 99. Go North approx. 3 miles. Look for Oak Flats Ranger Station. This will be on the left side of the road. Turn in and go up road to Oak Flats Camp. Find a campsite. There are no fees to pay.

If you prefer to camp down at Piru Creek, go past the Oak Flats Ranger Station for approx. 2 miles further. Look for a dirt road on the left side of the road with a sign that says Frenchmen Flats. Go down that road and pick a campsite. Be forewarned. This is where they like to "party" into the night. This is a primitive site also. There should be some trout among other fish in the Creek. Any fish you catch in this section of the creek, you can keep.

## Thank You!

The Orange County Amateur Radio Club wishes to thank Polly's Pies for the delicious Apple Pies that they donated to us for Field Day.

Polly's is located at 2699 N. Main Street, in Santa Ana. If you wish to try some of their other delicious items, they have a lot of good dishes that are as great as their pies. Be sure to check out their specials. In September they will be having a Big Island Chicken Stir Fry and Fresh Malihini Pie Meal Deal.
