NOVEMBER-1993

The Prez Sez

By Jane, KC6TAM

The results are in for Field Day! OCARC was first in California in 4A & fifth in total points in the U.S.! We did a great job and I want to

thank everyone who participated.

November is here and that means elections. Cindy is still trying to fill the slate, so if anyone wants to volunteer for a position, contact her. It's been a fun year, but OCARC needs people to continue on and help the club grow next year.

Well, I'll get off my soapbox. See everybody at the meeting.

73, JANE - KC6TAM
