IXN quizzes ZE abt 15m contacts on FD, and HHC checks in wid rough FD low band scores: 20m=854 contacts, 15m=272, 75m=130, 10m=106, 160m=5, and satellite=1. FMX says how much we appreciated NGO & his tractor after using the handheld auger! And Paul tells AF6C to stay away frm Tyson wid those tender, sunburned ears..HI! HHC hopes to hear FD reports frm the higher freq. bands soon. And COJ, wid the harmonic helping him clean up files, will be leaving fer a couple of days vacation. IXN & Lee are off to the San Jacinto Mts. fer a week's vacation, and RE gives the sunspot numbers and solar report.

7/2 2m Phone Net - W6ZE/IXN checks in RE, WOX, VDP, HHC, AF6C, RND, TWA, BWH, LDC, & ZH. RE took the FD message to be sent to VKZ. And Alex listens for, but does not copy a FD message frm ARRL. RND tells Alex that FD messages were sent differently this year. WOX, wid XYL working changes, takes the harmonic to his soccer game and just misses 15m Net. And Art & family plan to get to the Beach early on the 4th! Art & OPs tnx VKZ, NAH, & TL fer fine FD vittles!! VDP said 6m never opened up on FD, and Larry gives HHC a rough report on VHF contacts. 7/16 15m Phone Net - W6ZE/HHC/AF6C checks in AD6B, RND, VDP, IXN, WOX, & RE. AF6C arrives home late, so HHC acts as NC until Bob can take over. HHC announces that Kei, NGO, passed away last Saturday. A service was held Thurs. eve., July 17, in the Homba-Hong-Wanji Buddhist Temple, 815 E. 3rd. St., in LA. RE, wid a lousy propogation report & no ARRL bulletins, tells OPs he's glad the faulty plumbing has been repaired. AF6C proposes some ideas we might use to honor Kei, who was one of the founding members of the O.C.A.R.C.! AF6C also mentions that OCARC members helped staff the O.C. Radio Amateur Fair Booth. Dennis' new QTH in grid square EM34, in the Arkansas Ozarks, has closed escrow! AD6B says an ARRL Bulletin said that ARRL had changed the position of their 20m ant. RE says propogation is bad, and the XYL just got over a bout wid stomach flu. RND plans an Oct. trip bk to his hometown of Woodbury, CT., to see the old homestead, his dad's store, etc., as the leaves turn color. And John and VDP discuss GAP vert. antennas. VDP

Meanwhile, VDP will go 'round & round' with the ins. co. over renewal of QTH insurance! BWH airs Newsline #1041 after returning to the QTH. UBK, with the flu last week, managed to play with his radios. TWA pulls out most of his garden, works two days at the O.C. Fair, and finds RND's planned trip back to CT very interesting.
