## ORANGE COUNTY AMATEUR RADIO CLUB, INC.

VOL. LXVII NO. 1

PO Box 3454, Tustin, CA 92781

January 2026

### The Prez Sez... By Dan KI6X

And now it is 2026! And I think we had a great year in 2025 as a club. We have also reached, what we think is, a new high in membership at 120. This is the highest membership count time of the year with 2025 members still on until March 31st deadline to renew before being dropped and any new 2026 joining.

I hope you all plan to renew. Let us know if it is because of something we did. You may contact any one of the Board listed on page 2 that you might

be comfortable letting know. I expect some to not renew for various reasons unrelated to the club itself, and we will (and already have) gotten new members each year that were not on the roles before. We start out with a bang with Winter Field Day (Jan 24/25). See [w6ze.org](http://w6ze.org) website and club emails. We have an interesting speaker this month regarding the Queen Mary radio station. It has been around a long time. Nate Brightman, who the station is now named after, used to go around giving presentations about it. When it started up you could go to a back entrance and pay 50 cents to get on board without the tour. Not sure what they do now if you just want to get on and are not a regular station volunteer.

Hope you enjoy the planned activities and speakers. We always are open to suggestions too. My picture this month is my tube I hope to build an amp out of (kidding!).

Dan Violette, KI6X  
President

### NEXT GENERAL MEETING

**Dave Akins  
N6HHR**

**Presents  
“The Queen Mary”**

**January 16<sup>th</sup>, 2026, at 7pm  
at the  
American Red  
Cross**

**Orange County Chapter  
Santa Ana, Room 208**

### NEXT BOARD MEETING

**Saturday, February 7<sup>th</sup>, 2026**

**See [www.w6ze.org](http://www.w6ze.org) for more info**

### 2026 Board Members

# January Speaker Spotlight

## David Akins, N6HHR

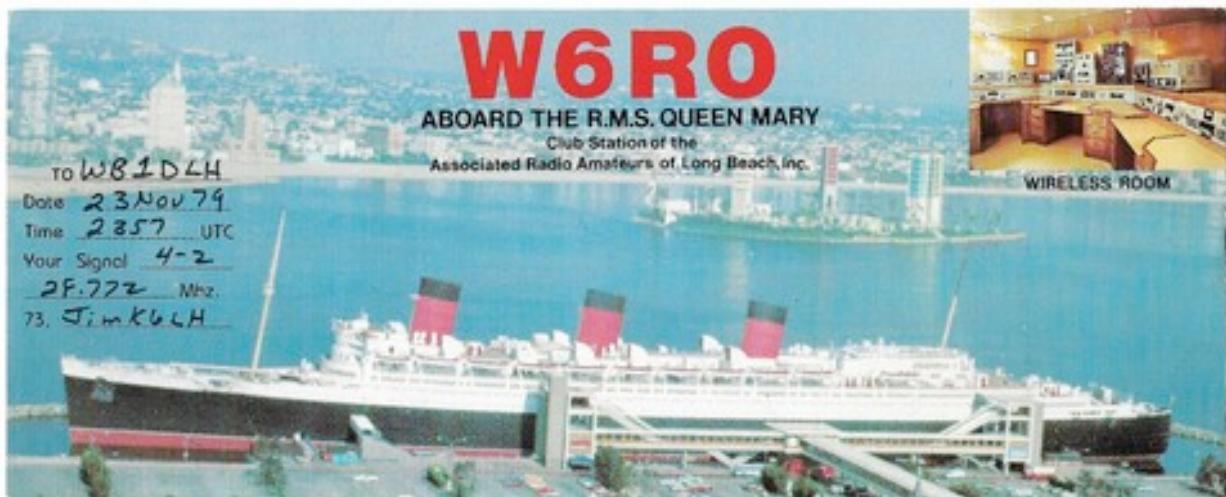

### ***“All Aboard the Queen Mary to See the Radio Room W6RO”***

We look forward to seeing David's program in person at our January monthly meeting. How can you operate the historic station at the Queen Mary? Come, and find out!

The radio bug first bit David in high school when some of his friends introduced him to CB radio. He went on to earn his Novice and Technician Amateur Radio licenses during his service in the Air Force a few years later. Two-meter packet radio caught his eye in the late 80's and kept him absorbed for over a decade until it faded from popularity in the early 2000's. A move to Long Beach brought W6RO, the Wireless Room aboard the Queen Mary to his attention, and he joined the crew in 1993. As older members of the Wireless Room crew retired, he took the job of QSL Officer in 2006, then Assistant Manager in 2009. He finally made the effort and earned his Extra license in 2012.

David was selected to succeed the legendary Nate Brightman (K6OSC/SK), when he chose to retire in 2013 after serving as Founder and Station Manager of the Wireless Room for nearly 35 years. David has always kept a VHF/UHF rig in the car and almost always has an HT on his belt. You can often find him on one of the Long Beach area repeaters. He and his lovely and radio-tolerant wife live in a neighboring town. They enjoy hiking, bicycling and camping together, and he often brings a radio along during those activities. He plans to master and become active in CW after retirement.

## December 2025 Holiday Dinner Party

# RadioActivity

## January / February 2026

# Upcoming Activities:

## JANUARY

- **\*\*North American QSO Party / CW:** 1800 UTC January 10 through 0559 UTC January 11
- **\*January VHF Contest:** 1900 UTC Saturday January 17 through 0359 UTC Monday Jan. 19
- **\*\*North American QSO Party / SSB:** 1800 UTC Sat. January 17 through 0559 UTC Sunday January 18
- **\*CQ WW 160 Meter / CW:** 2200 UTC Friday January 23 through 2200 UTC Sunday Jan. 25
- **Winter Field Day: 1600 UTC Saturday January 24 through 2159 UTC Sunday January 25**

## FEBUARY

- **10-10 Winter Contest, SSB:** 0001 UTC Feb. 7 through 2359 UTC Sunday Feb. 8
- **\*CQ WW WPX / RTTY 0000 UTC Saturday Feb. 14 through 2359 UTC Sunday Feb. 15**
- **\*ARRL International DX Contest / CW:** 0000 UTC Sat. Feb. 21 through 2359 UTC Sunday February 22
- **\*CQ WW 160 Meter SSB:** 2200 UTC Friday Feb. 27 through 2200 UTC Sunday March 1
- **North American QSO Party / RTTY:** 1800 UTC Feb. 28 through 0559 UTC Sunday March 1

\* Indicates club entries are accepted

\*\* Indicates team entries are accepted

Note: When submitting logs for ARRL Contests indicate your club affiliation as "Orange County ARC"

## State QSO Parties

- **Vermont QSO Party:** 0000 UTC Saturday February 7 through 2359 UTC Sunday Feb. 8

# 2026 Winter Field Day

## January 24<sup>th</sup> and 25<sup>th</sup>, 2026

We will be needing **operators and support volunteers**. If you are interested and need more information contact Ron, W6WG, by email, [W6WG@W6ZE.ORG](mailto:W6WG@W6ZE.ORG)

Belonging to OCARC and joining in on our two major events, Winter Field Day (WFD) and the ARRL Field Day in June, is the BEST way to become "RadioActive."

Download (and read) the lastest version of the WFD Rules here:

<https://winterfieldday.org/downloads/2026-rules-v3.pdf>

## OCARC Board of Directors Meeting Minutes January 3, 2026

Meeting held at the Streamliner Lounge, 186 Atchison Street, Orange, CA and called to order by President, Dan KI6X, at 8:18AM. A full house quorum of Board members was present, as well as a visitor, Nicholas AF6CF.

- No specific reports from Vice-President Tim, N6GP, Secretary Janet, KL7MF, or Technical Advisor Joe, KM6SVV.
- Treasurer Tim, N6TMT, is wrapping up the books for 2025 and will have a report for the RF Newsletter, also confirming club insurance was paid for this year in December, and asked that the Monthly Planner reminder for same be inserted into the November review.
- Activities Director Corey, KE6YHX, advised the last opportunity drawings brought in \$445, and a good portion of that will be used for future prizes. Opportunity Drawings this year will be in February, April, June, August, and November.
- Membership Manager Ron, W6WG, advises we now have 119 members, confirmed receipt of two recent checks, and added the reminder to get the word out to renew. Ron also asked for clarification in submitting updated rosters to Bob for the RF.
- At this point, with two new Board members present, President Dan, KI6X, read the section of the By-Laws with a description of duties pertaining to all members, and especially Publicity and Director-at-Large. Our new Publicity Chief Michael, KO6FAR, was briefed on the club flyer and stocking it at HRO, as well as the various news sources available for club activities such as Field Day.
- New Director Dave, N3BKV, had nothing to report. Director AJ, W6OTO, offered to assist with Publicity, and advised he has procured a couple UV5R-mini for give-aways to new licenses or for drawings. AJ is now very familiar with online proctoring for testing if assistance is needed in that regard.

### OLD BUSINESS:

**Newsletter Editors:** January, Tom AK6GR with assistance from Ron W6WG; February, AJ W6OTO; March, Michael KO6FAR with assistance from Dan and/or AJ; April, Dave N3BKV with assistance from Ron W6WG. Formatting was discussed briefly and new editors were advised to use Word with the template provided.

**Entertainment:** January speaker will be Dave, N6HHR re the Queen Mary W6RO. Suggestions for following months were Wayne KH6WZ, W6NBC, W6BI, and others. All suggestions welcomed.

**OCARC Remote Station:** The plan is moving forward slowly. The new remote radio was just received, but the old one may need some updating and possible repair. The user interface is ready to go any time.

**Winter Field Day:** Ron, W6WG, again heads up our efforts at this event. A Zoom meeting will be held soon to discuss details. Operators needed! Bob AA6PW, will loan his tribander, although cannot participate. Plan B discussed in case of bad weather, e.g., keeping tower heights lower. Same locale as recently used. Ron may check into using one of the portable buildings on site and confirm FD rules re status of operating indoors at a remote site with emergency power.

Meeting temporarily paused at 8:50 and resumed at 9:25 after breakfast.

**NEW BUSINESS:**

Discussion continued regarding archiving website historical data on the club. Approximately 10G annually needed of content folder only, and suggestions of M-disk, and other Cloud options like Amazon Glacier. Consideration will continue.

Nicholas, AF6CF, will be donating various types of radio equipment to the club and needs assistance in moving it to a storage facility. Several members present will be joining him after the meeting to help in this regard. Ron, W6WG, and Nicholas, AF6CF, were excused early to start the process.

With nothing further for the good of the club, meeting was adjourned by vote at 9:47AM. Next OCARC Board Meeting February 7, 2026.

Submitted by Janet Margelli, KL7MF, OCARC Secretary

### DECEMBER 2025

KO6LLT	Sophia Axiotis
AA6R	Morgan Fine
KK6OYR	Gregorio Valdivia

### JANUARY 2026

KJ6ZEY	Chris Chubbuck
--------	----------------

### Morgan Fine

“I got into HAM radio as I was working on telemetry for amateur rocketry. While only a Technician license, I was needed for this purpose I got both the Tech and General license at the same time, to make sure I was more respected by my neighbor.

I recently upgraded to Extra as I thought it would be fun to go for the last license. I am an avid outdoor enthusiast and recently discovered SOTA. I plan to add this to any hiking and climbing trips I go on in 2026.

Look forward to learning more from all the members of OCARC.”

Regards,  
Morgan
