WELCOME BACK..the ROVING RAMBLERS, Mildred and Roy, from an extended trip..up thru Canada and the northwest. Roy said "We worked a lot of stations around the country trying to find someone in Santa Ana, but the Santa Ana "boys" just were not on the frequency"..fine Roy... we all looked for you too and could'nt find your frequency either..welcome back..fine people..glad you had a good time.

The members that missed the last meeting really missed something..the program was presented by K6BJY, "Jamie" Kirk who gave a one and a half hour of interest concerning the Raytheon Company and their products... and presented everyone with "samples"..a truly fine program.

K6RKN, Jerry, Publicity Director for the convention, announced that we will have a contest to select a QUEEN..for the convention. This contest will be open to all yl's and xyl's holding a ticket (license..that is).. Contest is scheduled for middle November.. more on this.later.
