CALLBOOK SERVICE

The club has copies of the latest U.S. and foreign callbooks which are available at each meeting. Also you can contact Bob Maller-WB6AJV at home (832-6170) on Monday and Thursday evenings between 7 PM and 9 PM if you need addresses. If you have more than one call for Bob to check, he'll get them all and call you back the same night. Also, you can usually catch Bob on the air after the Wednesday evening club net.

THE PREZ SEZ:

FOR YOU REGULAR CLUB MEMBERS: If you haven't paid your club dues yet, this is the LAST MONTH you can pay your 1975 club dues in order to continue to receive "RF", the club paper. Also, the club roster is being prepared. The dues are still \$6 for regular membership, \$3 for teenagers and additional members of the same family.

I would like to say a big thank you to Ted, K6LJA, for the program he put on at last month's meeting. It was really "FB". I think everyone enjoyed seeing old friends, meeting Hams they have heard about, and hearing about the club in earlier days.

Field Day is just a couple months away now. It looks like we will be able to operate at the Marine Corp Air Station (Helicopter) Mars Station area again this year. This year, the man in charge of organizing Field Day is Bob, WB6AJV, your Activities Chairman. We still need some team captains for the various bands. Anyone interested in being a team captain, operator, logger, assistant, or just watching all the fun should give Bob a call at 832-6170 or sign up at the April Meeting.

There will be a list started at the next meeting for clearance onto the base for Field Day. It requires your name, your call, make of auto, model of auto, color of auto, and license number. Also, if you miss the meeting, you can call Bob, WB6AJV or me and give the information to us.

This month's program will be presented by Ken, W6HHC. The subject is MICRO PROCESSORS. Sounds very interesting.

The FISHING TRIP is still be planned for July 12. We have about 4 openings left. If anyone is interested they should get in contact with Bob, WB6AJV at 832-6170 for information.

That's about it for this month. Hope to see all of you at the meeting.

Minutes of the club meeting 21 March, 1975. The meeting was called to order at 8 pm by President Art WA6LHB. There followed a roll call of officers, and all were present except Roger WB6ARK who was reported sick. Introduction of the program, "Past presidents and old timers' nite," was made by the Chairman, Ted K6LJA. Among those present were: Roy W6DEY, and XYL Mildred W6TJU; Roy K6IQ; Alex W6WRJ; Jack WA6YWN; Dave W6COJ; Jack WB6UDC; Ron WA6FIT; Bill WB6CQR; Bob-WB6QNU; and Ken W6HHC. Each of these past presidents was honored with a special presentation and in return, each past president, gave interesting insights into the past history of the club. This was followed by a coffee break with a chance for everyone to talk to the old timers. After the break, the Chair introduced visitors and new members. Treasurer Ted K6LJA made his report and the club cash balance was shown to be \$324.53. Judges reported on the antique key display and the oldest key was owned by Roy W6DEY. A presentation of a plaque to Roy was made by Ted K6LJA. The raffle was followed by announcements and the meeting was adjourned at 9:55 pm. Harold-WA6BJO-Secretary.

BICENTENNIAL CALLSIGNS ( via HR REPORT)

BICENTENNIAL CALLSIGN SCHEME has been released, and as expected all FCC-licensed amateurs can have some fun with it in 1976 if they're so inclined. Stateside alternate prefixes are straight forward, with WA becoming AA, W changing to AC, and even repeaters getting an optional AF.

Outside The Contiguous U.S. is where the fun really begins, however, with Samoa becoming AH3 and an Alaskan Novice an AL1.

The Complete Scheme appears in chart form on page 3 of this issue. Don't rush to cut it out since we'll include a larger scale chart as a separate sheet sometime late this year.

Use Of The Alternate Prefixes is entirely optional and no paperwork will be required. Just remember they don't go into effect until 0500Z January 1, 1976 and are good until January 1, 1977.

HERE ARE THOSE OPTIONAL 1976 PREFIXES:

Existing Prefixes	1976 BICENTENNIAL PREFIXES
