15M CW NET: Club Station W6ZE meets every Wednesday evening from 7PM to 8PM on 21.175 mhz. All amateurs are welcome to check in. Lots of CW practice for everyone.

\*\*\*\*\*

CALLBOOK SERVICE

The club has copies of the latest U. S. and foreign callbooks which are available at each meeting. Also you can contact Bob Maller-WB6AJV at home (832-6170) on Monday and Thursday evenings between 7 PM and 9 PM if you need addresses. If you have more than one call for Bob to check, he'll get them all and call you back the same night. Also, you can usually catch Bob on the air after the Wednesday evening club net.

\*\*\*\*\*

THE EX-PREZ SEZ:

Well, the real PREZ is off on business in Yuma, Ariz. and won't be back until after the October meeting. So I hope you don't mind if I take over this spot and relay some info to you.

The most important item is the auction at this coming meeting. Yes sir, OCTOBER 17 is going to be a big night for the club. There should be plenty of goodies going on the table to satisfy everyone. So, clean out your shack and garage and haul everything down to the club. And don't forget that with all of that extra room you'll have in the garage, you can haul home another big truckload!. See page 4 for details on the auction.

Next, the minutes of the September meeting describe the motion made to raise the club dues by \$2 a year. The motion will be repeated with a vote at the November meeting(per the by-laws). I think everybody and especially the board members hate to see this happen, but prices are going up everywhere! Rather than cut back on club services to you ( free coffee and donuts, the club paper, free papers to club visitors, tents and food at field day, the Christmas party, etc.) we urge you to vote for the 17¢/month increase to allow us to maintain these club services.

The 1975 field day scores were reviewed after the September meeting and a revised score and cover letter was sent to the ARRL on Sept. 27.

The club received a letter recently from ex-club-president, Jerry VerDuft .... ex-WA6ROF, ex-W6MNY, ex-W5TLK, and is now W6SGZ. Jerry, who was Orange SCM until his work took him to 5-land, now lives in Torrance (see roster for details) and is now working at Hughes Aircraft in Culver City. Jerry says that he is hoping to get on the air soon via 2-MTR FM. It was good to hear from you Jerry, drop down and visit us when you get a chance.

Finally, the election for 1976 club officers will be held at the November meeting. Art has appointed me as chairman of the nominating committee. I urge everyone who would like to serve the club to give me a call. Please give me a call, there's plenty of work but it doesn't really take much time. We need your help so that your club can continue to serve you.

Well, thanks for letting me chat with you again.

ARRL CONVENTION

October 24th through 26th, 1975, are the dates for this year's Southwestern Division Convention. It will be held at the Holiday Inn, Ventura, with talk in on 146.13 - 73 and 146.28 - 88.

Highlights include technical sessions, exhibits, ladies programs, breakfasts, contests, banquets, etc.

More information may be obtained at the October Club Meeting.

. . . . .

SEPTEMBER CLUB MEETING

MINUTES . . . September's Club meeting program was presented by Kei, W6NGO, with very interesting slides and commentary on his recent trip to JA-Land. Judging by the many favorable comments since the meeting, everyone enjoyed the program.

A motion was made by Bob-AJV to raise the OCARC '76 dues to \$3 per year. Included in this motion was recommendation for additional memberships fees of \$3 per year for additional family members, and members under 19 years old. It was decided to present the motion to the Club at the November meeting.

Henry - POR made a motion that membership fees for those between the ages of 65 to 70, be reduced to \$3 per year, and \$1 per year after the age of 70. This motion was seconded by Fried - WZO, and it was decided to present this motion also to the Club at the November meeting.

A third motion was made by Roger - ARK to check the OCARC 1975 Field Day score to determine if the proper multiplier was used and to notify ARRL if any error was found. This motion was seconded by WA6TBF.

The OCARC Treasurers' report as of meeting time was \$236.62.

. . . . .

PROFESSOR BUCKLEY ON SEISMOLOGY

Fullerton Radio Club President Frank Nance, W6MN, has extended an invitation to all OCARC members and friends to attend their October 21st Club meeting to hear Cal State Fullerton University's Professor of Earth Sciences, Professor Buckley.

The topic will be seismology and the latest earthquake research, with slides and tapes.

This promises to be a very interesting program, and it will be held at the Hillcrest Recreation Center, Valley View Drive and Lemon, Fullerton. The meeting starts at 7:45 PM.
